Please arrive 15 minutes before your program and check in at the desk located in the hall outside of room FA 101.

Remember to bring your music. Number the measures and use a "post-it" note with your student number on it to mark the piece. Give your music to the teacher at the check-in desk. (No photocopies will be accepted.)

When you enter the performance room, please sit in the front two rows in the order of your performance numbers. A monitor will be there to assist you. Please do not leave until the entire program is over and be sure to pick up your music from the monitor at the conclusion. You will receive your evaluations later from your teacher. You are free to invite your family and friends to attend. Each program will be approximately one hour.

DRESS CODE: Dresses or skirts and blouses for girls.
Slack pants for boys (no sweatshirts or jeans.)
A neat appearance is considered as part of your performance!

Saddleback College is located off Marguerite Parkway in Mission Viejo. Take the 5 Freeway to Avery Parkway (which is the next exit south of Crown Valley). Go east on Avery to Marguerite. Turn left on Marguerite and watch for the Saddleback College sign on your right (almost across from the post office). After you've turned right onto the college campus, turn left on Theater Circle and drive to the top of the hill. Parking is to your right in Lot 12. The Fine Arts building is just above the parking lot next to the McKinney Theater.

Just a reminder: Do not park in a faculty (staff) parking spot. There is a strong possibility that you will be ticketed by campus police if you park in the wrong location!
