Parking Instructions:

The parking situation at **Saddleback College** has slightly changed. Everyone can still park in **Lot 12** as usual on festival days. However, be sure that **you do not park in a faculty (staff) parking spot** because the campus police will probably give you a ticket. Keep in mind: **these tickets are now real tickets that go on your driving record.** They are no longer just "college campus" tickets. Also, **do not park in the loading zone area** for more than 15 minutes or you run the risk of getting ticketed.

Please inform your students of these changes!
